RE: The B-BBEE Status of Optimum Professional Financial Planning (Pty) Ltd

This letter serves to confirm that Optimum Professional Financial Planning_(Pty) Ltd has engaged the services of LabourNet, a specialist consulting firm to assist with their B-BBEE Planning, Strategy and Progress Monitoring.

In terms of the above, LabourNet will attend to the following:

- Ensure proper implementation of all initiatives within the relevant timeframe in an effort to obtain a compliant B-BBEE Level,
- Identify any risks and the potential loss in points associated with these risks, and
- Identify any opportunities to improve the score and the potential gain in points if these opportunities were to be realised.

Kindly note that the Client does not currently have a valid B-BBEE Certificate.

In this regard, LabourNet is assisting the Client throughout the course of the Monitoring process in order to ensure all initiatives, albeit pre-existing or planned, are properly implemented as and when needed in order to meet the set targets.

Kindly note that the Client's upcoming B-BBEE Verification will be based on their financial period ending 28 February 2019 and that preparations for same are already underway regarding the re-verification.

We trust you find the above in order, however for any questions or queries please contact the writer hereof.

Kind regards

Catherine Shooter
